BACKGROUND

Chuck Thorpe, a former artist educator at Wausau East High School, originated from Sun Prairie, Wisconsin. He graduated from the University of Wisconsin-Madison in 1970, later completing his Masters Degree in Education at UW-Platteville. Chuck's teaching career began in Spring Green, Wisconsin, continuing for 21 years in Platteville. Chuck moved to Wausau in 1991 and concluded his career with the Wausau School District.

As an Eagle Scout in the Boy Scouts of America, Chuck earned badges in music, acting, art, and sculpture. He was a member of the Madison Scouts Drum and Bugle Corps during the 1960's. He was a state high school track champion from Sun Prairie, Wisconsin and continued as an athlete for the UW Badger track team. Throughout his high school years, he performed in the school choirs and musicals, continuing as a member of the UW Choral Union at Madison.

A love for art and the natural environment is conveyed in his paintings, interpretations of simple elements through color, texture, and composition. His works are enjoyed in individual collections across the country. The inspiration for his work was developed through his summer days at his family cottage in northern Wisconsin. He spent numerous hours there sailing, water skiing and hiking. Many fall days were spent in the field hunting grouse with his Springer Spaniel dogs and his best friend.

Chuck's love for the arts is shared by his family. His wife, Judy, and daughter, Heather, are music teachers; and his son, Reid is an artist.

Chuck established the Charles Thorpe Scholarship in the Visual Arts Fund within the Community Foundation of North Central Wisconsin prior to his death in 1998. The fund is designed to provide scholarships to graduating seniors from Wausau East High School interested in pursuing an education in the Visual Arts or Art Education at UW-Madison.
