a component fund of the

BACKGROUND

Peter & Carol Tomasi established the Peter & Carol Tomasi Scholarship in 1994 to recognize the senior student attending Wausau East High School who scored the highest on the National Scholastic Aptitude Test (SAT). Dr. Tomasi, an orthodontist and Carol, a teacher believe, "Our children are our life's work. What you leave behind with them is more important than the things you give to them."

The Tomasis leave our community with this thought – academic achievement needs to be recognized, even if it's not accompanied by the highest grade point average because the student has taken the most challenging courses, or because the student had to work to help support a family.

PURPOSE OF THE FUND

The purpose of the Peter & Carol Tomasi Scholarship Fund is to support post-secondary educational opportunities at an accredited college or university for the Wausau East High School student who has earned the highest national SAT test score in their graduating class.

ELIGIBILITY

The guidance counselors at Wausau East High School will provide the Community Foundation of North Central Wisconsin with the name of the graduating senior with the highest SAT score.
