Danielle Zsenak was born on May 26, 1987 in Trenton, New Jersey, but lived in Wisconsin most of her life. She earned degrees from Marquette University and UW-Milwaukee. She was a resident of Wausau and was employed by Connexus Credit Union at the time of her death at the age of thirty.

Outwardly reserved, Danielle had a strong adventurous spirit. Some of the accomplishments of her short life included: she learned to surf in Hawaii, attended space camp, played rugby at Marquette University, finished second in the 2008 Jeopardy college tournament, tried out for the U.S. Olympic skeleton team, skated with the Fondie Firecats Roller Derby team, and celebrated her 30th birthday with a tandem skydive. She loved books, music, art, theater, her family, friends, and her beloved greyhounds – Beans and Barbie.

The Connexus Association is proud to present this scholarship in Danielle's honor. She was a marketing technologist for Connexus Credit Union at the time of her death on June 26, 2017. This scholarship is a tribute to her dedicated service and her zest for life.
