

Kristin Nell Geurink
April 25, 1975 – June 27, 1998

Kristin Nell Geurink, daughter of Wayne and Judy, savored her life. She especially loved learning about the treasures around her and considered learning a joy.

Kristin enjoyed camping, gardening, running, skateboarding, tree climbing, and Frisbee golf. Her love of travel brought her to explore every state in the continental United States. Her enthusiasm for music prompted her to learn and play the classical guitar.

Kristin had the uncanny ability to draw both children and animals to her with her nurturing ways and love of life. At the time of her death in 1998, she was a teacher at the Montessori Educational School in Wausau, Wisconsin. Kristin knew that this school was special and longed to have this unique educational opportunity available to all children, regardless of means.

This scholarship fund was established following her death in 1998, to perpetuate her memory by making a Montessori education available to more children.
