PAYMENT OF THE SCHOLARSHIP

The recipient will receive a congratulatory letter from the Community Foundation after the awards ceremony, instructing them on how to receive their scholarship funding.

The student must provide proof of registration to the Community Foundation office for payment to be initiated. The Foundation will make payment directly to the college or university the student is attending.

In 2007, the Hmong American Center, previously known as the Wausau Area Hmong Mutual Association, established the Hmong Community Higher Education Scholarship to recognize academic excellence among Hmong students, and to encourage Hmong professionals graduating from college to return to the central Wisconsin area.

In 2016, those funds were transferred to the Community Foundation of North Central Wisconsin and the Hmong Community Higher Education Scholarship Fund was established.

Community leaders who set up this fund believe that education is the key to knowledge and success.

A major purpose of this scholarship is to encourage students to return to our area to reside and to step into professional and leadership roles within the community in ways that positively impact the Hmong community as well as the community at large.

The fund was established within the Community Foundation in 2016.
