

BEYOND CRAYONS & COMPUTERS

GRANT GUIDELINES

Beyond Crayons & Computers Grants, awarded through the Merrill Community Foundation, are designed to enhance and reward innovative teaching, learning, and special motivational activities in Merrill-area schools – public and private, grades pre-K through 12th grade.

What We Look For

Innovative and creative projects that:

- Demonstrate a sense of community by partnering with or impacting our Merrill community
- Enrich the educational experience, motivate, and inspire students, educators and/or the community
- Fill a specific need and are educational and fun for students
- Are cost-effective

Identify how receiving a grant would impact the project. Integration of curriculums is encouraged as well as joint proposals from teams of teachers in one or more schools. The participation of parents, volunteers, or other members of the community is also encouraged.

What We Do Not Generally Fund

Funding is not generally awarded for items the committee feels should be provided for within the school district's budget, including core curriculum items, staff, or transportation. The committee also tends not to fund refreshments, rewards, or incentive programs. Materials and equipment associated with project funding become the property of the school.

Additional Information or Questions

If you have any questions in the application process, contact the Merrill Community Foundation at info@merrillcf.org or call the Community Foundation of North Central Wisconsin office at (715) 845-9555.

Nondiscrimination Policy

The Merrill Community Foundation does not discriminate based on race, ancestry, color, age, familial status, handicap, religion, gender, sexual orientation, marital status, lawful source of income, national origin, or any other discriminatory basis prohibited by state or federal law. To be eligible for funding, grant applicants are expected to adhere to these same standards. Consideration is given primarily to those organizations that are tax-exempt under section 501(c)(3) of the Internal Revenue code.

SNAPSHOT

APPLICATION PROCEDURE

The Foundation utilizes an online grant management system to accept applications electronically, review the applications, track the recipient's progress, and accept final reports.
