

ROTARY CLUB OF WAUSAU SCHOLARSHIP

FUND BACKSTORY . . .

For more than a century, the Rotary Club of Wausau has embodied the Rotary motto of “*Service Above Self*.” Through community leadership, volunteerism, and philanthropy, Wausau Rotarians have worked to improve lives locally and globally — from supporting youth programs and community projects to advancing education and leadership opportunities.

In keeping with this mission, the Rotary Club of Wausau Scholarship Fund was established to help local students pursue higher education and reach their full potential. This fund reflects the Club’s long-standing commitment to investing in young people, tomorrow’s leaders, who demonstrate academic excellence, integrity, and dedication to community service.

Each year, scholarships are awarded to graduating seniors from the Wausau area who exemplify the values of Rotary: service, leadership, and a commitment to making a positive difference in the world.

By supporting education and fostering future leaders, the Rotary Club of Wausau continues its legacy of community impact, ensuring that the spirit of *Service Above Self* remains alive in the next generation.

ELIGIBILITY
