

JOHN H. A. STUBBE MEMORIAL SCHOLARSHIP

FUND BACKSTORY . . .

John Stubbe, son of Edward and Margaret (Mroczenski) Stubbe, was born in Wausau, Wisconsin in 1966. He was a 1984 graduate of Wausau West High School. On August 12, 1989, he married the love of his life, Christine Wiesner, in Appleton. Their 29-year marriage was blessed raising three children – Ashley, Jeremy, and Nick. At the time of his death, John was co-owner and operator of T&E Tree Surgery, Inc.

Some of John's favorite activities included attending music concerts, golfing, fishing (especially his Canada fishing trips with his brother and friends), and spending time with his family and friends. Special times were spent going up north to the family cottage or hanging out in the family's backyard enjoying cookouts and campfires.

He was a member of the Wausau Curling Club and was a youth softball coach – having had the privilege of coaching his daughter's team at the Babe Ruth World Series in New Jersey.

This scholarship was formed by his family in 2020 to honor John's memory, and his love of, and involvement during his lifetime in, the sports of curling, softball, and baseball.
