

SUSANNE MARIE RITGER MESEBERG ALZHEIMER'S SCHOLARSHIP

FUND BACKSTORY . . .

For 32 years, Susanne Ritger Meseberg dedicated herself to shaping young minds as a beloved Business Education teacher at Wausau West High School, leaving a lasting impact on generations of students. A graduate of Marathon High School and UW-Whitewater, Susanne believed in the Wisconsin Idea: that education should influence people's lives beyond the boundaries of the classroom.

Beyond the classroom, Susanne was part of a family of seven, and embraced a dynamic lifestyle, honing her skills as an avid golfer and cross-country skier, always seeking adventure on the greens and in the snow. Each year, she enjoyed the warmth and sunshine of Florida as a snowbird, trading winter's chill for the Florida coast's relaxation.

Susanne's wanderlust also took her on memorable trips to Hawaii, where she basked in tropical beauty, Europe, where she immersed herself in history and culture, and New York, where the vibrant energy of the city captivated her spirit. Her life is a beautiful balance of passion, exploration, and dedication

The Susanne Marie Ritger Meseberg Alzheimer's Scholarship was created with the purpose of providing post-secondary scholarships to employees of North Central Health Care with a desire to work on the Dementia Unit.
