

ROGER & MARY PUKALL MEMORIAL SCHOLARSHIP

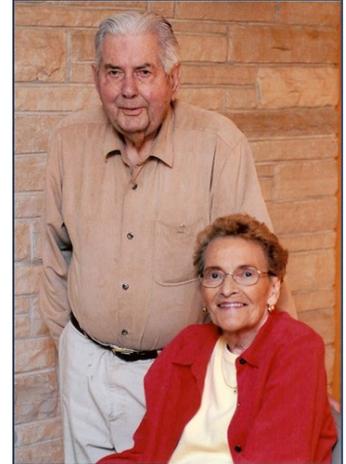

FUND BACKSTORY . . .

The story of Roger and Mary Pukall is one of hard work, perseverance, and deep community commitment. After their marriage in 1945, Roger and Mary made their home in Arbor Vitae, Wisconsin, where they devoted themselves to building upon Roger's father's small sawmill and building supply business. Through years of dedication, teamwork, and an unwavering work ethic, they transformed it into a thriving enterprise that became a cornerstone of the local economy.

Roger and Mary believed that success carried with it a responsibility to give back. They valued their employees and the community that supported them, recognizing that their business's strength came from the people around them. Their generosity, kindness, and sense of stewardship left a lasting mark on everyone they encountered.

In tribute to their legacy, the Roger and Mary Pukall Memorial Scholarship was established to honor their lifetime of hard work and success. The fund provides financial assistance to the children of company employees as they pursue education and training to achieve their own professional goals.

Through this scholarship, Roger and Mary's enduring belief in opportunity, gratitude, and community continues — supporting the next generation as they build their own paths to success.
