

WAUSAU EAST GIRLS SWIM TEAM SCHOLARSHIP

FUND BACKSTORY . . .

Established in March 2006, the Wausau East Girl's Swim Team Scholarship Fund was created by a dedicated group of parents who wanted to celebrate the heart and determination of their student athletes. Through the Community Foundation of North Central Wisconsin, they envisioned a lasting way to honor the team spirit, discipline, and perseverance that define Wausau East swimmers—both in and out of the pool.

The fund recognizes student athletes who exemplify the best of the sport: a positive attitude, a strong work ethic, and a commitment to personal and team excellence. It is a tribute to the young women who dive into every challenge with energy and grace, inspiring their teammates and community along the way.

More than just a scholarship, this fund carries forward the proud "Go Jacks!" tradition—celebrating those who turn effort into achievement, camaraderie into leadership, and sport into lifelong lessons.

ELIGIBILITY

- Graduating high school senior
- Attending Wausau East High School
- Swum at least three years with the Wausau East Girls Swim team – including their senior year
- Planning to pursue a post-secondary education in any field of study.

CRITERIA

Applications will be evaluated based on:

- Having adhered to the athletic Code of Conduct and qualify for team recognition
- Displaying a positive attitude toward the team and swimming
