

# EDGAR COMMUNITY SCHOLARSHIP

## FUND BACKSTORY . . .

The Edgar Community Scholarship was established within the Community Foundation of North Central Wisconsin to support the continued educational growth and success of graduates of Edgar High School.

Rooted in the pride and spirit of the Edgar community, this scholarship reflects a collective commitment to helping local students pursue their dreams beyond high school. It was created to ensure that financial barriers do not stand in the way of talented and motivated students as they further their education, whether through college, university, or technical training.

Through the generosity of a community member, alumni, and friend of Edgar, this fund provides lasting support for the next generation - empowering students to build meaningful futures while carrying forward the values of hard work, perseverance, and community service that define the village of Edgar.

The Edgar Community Scholarship stands as a testament to what can be achieved when a community comes together to invest in its young people and their potential to make a positive impact on the world.
