

SCHOLARSHIP FUND

Whether established as a means to memorialize a loved one, to honor a specific academic institution, or to support a particular area of interest, Scholarship Funds created within the Community Foundation provide a means for awarding educational assistance to deserving students who are planning to pursue their dreams at various academic levels.

HOW IT WORKS

GIVE

GROW

GRANT

- Make a minimum gift of \$10,000 to establish a non-endowed fund or a gift of \$100,000 to establish an endowed fund.
- Gifts can be in cash, appreciated stocks, real estate, or other assets.
- We set up a fund in your name, in the name of your family or business, or in honor of any person or organization you choose.
- You may receive tax benefits in the year your gift is made.
- Our professional staff helps you to determine eligibility requirements for the scholarship you establish.
- We handle all of the administrative details and award scholarships to deserving students in the name of the fund you establish.
- A \$100,000 donation endows a Community Impact Scholarship, designed to address talent retention through multi-year awards, mentoring, and possible internships.

OTHER ADVANTAGES

Your gift can be placed into an endowment that is invested over time. Earnings from your fund are used to make grants to students. Your gift – and all future earnings from your gift – is a permanent source of community capital, helping to do good work forever.

VALUING EDUCATION

Formed in 2018, the William Hintz Memorial Scholarship fund was established to honor the life and passion of Bill Hintz, well-known throughout our community as the owner of RotoGraphic Printing. Bill's passion for the printing industry began when he was 22. Throughout the years, Bill never lost his love for the industry and treated his employees and customers as family. With Bill's generous spirit in mind, his five children set up the scholarship to honor Bill after his passing. The scholarship is designed for graduating seniors from Marathon County who plan to pursue secondary education in printing, graphic arts, or a related field.

"In setting up the scholarship fund, we know our dad's passion for the printing industry will live on. The Community Foundation is a perfect fit because it allows the legacy of a loving, creative man to remain intact forever."

-Tina Hintz-Spees
